Present

DEP Priorities

Tuesday, December 12, 2006

9:00 – 10:30 A.M.

Worcester Regional Chamber of Commerce

We are very fortunate to have Arleen O'Donnell, Commissioner of Massachusetts Department of Environmental Protection, available to present an update on DEP Priorities including brownfield redevelopment, permit streamlining and other important regulatory issues on the horizon.

Please join us at this CMBEN & SWEP-MA meeting for a chance to meet with Arleen O'Donnell and to see how these DEP initiatives impact your business.

The Central Massachusetts Business Environmental Network (CMBEN), organized in 1997, consists of manufacturers in the Central Massachusetts area. The purpose of this network is to address environmental, health, and safety issues as well as to discuss individual issues and methods to effectively satisfy compliance requirements in a non-regulatory format. CMBEN is always seeking new members.

The Central Massachusetts Business Environmental Network has representation from some of the region's largest businesses with years of experience in EHS compliance. Take advantage of this know-how by attending this and other informative sessions, including:

Tuesday, February 13, 2007 – NFPA 70E, Electrical Safety and Arc Flash Protection (at Allegro)

Tuesday, May 8, 2007 – MassDEP's Emergency Response Program (at WRCC)

Tuesday, September 11, 2007 – NPDES/Storm Water Permitting (at Wyman Gordon)

If you would like to join CMBEN, contact Mary Hubbard at the Worcester Regional Chamber of Commerce (508.753.2924, mhubbard@worcesterchamber.org) or any of the CMBEN chairpersons:

Donald Alger	(508) 854-5560, dalger@allegromicro.com
Brian Postale	(508) 839-8191, bpostale@wyman.com
Marina Gayl	(617) 626-1077, marina.gayl@state.ma.us
Terry Cummings	(508) 752-2884, tcummings@tycoelectronics.com
Stephen A. Sakakeeny	(978) 688-7804, ssakakeeny@sakenvironmental.com

The Society for Women Environmental Professionals (SWEP) is a national non-profit professional association of women involved or interested in environmental law, science, engineering, business, and policy. The Chapter serves as a resource for its members in Massachusetts, providing opportunities for professional development through networking, educational programming, mentoring, social events and public service. Please visit our web site <http://www.swep-ma.org/> for more details of association.
